

99.25% water

# PURELY baby

## biodegradable Aqua+ water wipes

- 100% biodegradable and compostable
- Grown without pesticides or chemical fertilisers .
- Made with 99.25% purified water
- Contains 0.75% biodegradable preservative to guarantee 100% bacterial free wipes throughout their shelf life.
- Dermatologically tested on Sensitive Skin by the Institute of Skin and Product Evaluation in Milan.
- Alcohol, Soap, Chlorine and Fragrance Free.
- No Parabens, Sulphates or Phthalates.
- Larger wipe size than most other baby wipes—22 x 20cm.
- “Rigid Lens Closure Label” which means the last wipe is just as fresh as the first.

Ordering Code: PB 112  
70 wipes per pack  
8 packs per carton

**Directions:** Use the required number of wipes.  
Dispose of used wipes properly; do not flush.

Product specifications and availability may vary according to country. Always read the label and product information before use. Supporting documentation: Full technical specifications are available upon request. Bespoke solutions: Should your market require more or fewer wipes, lightly scented alternatives or even biodegradable wipes, for example. Let us know. We are more than happy to develop bespoke solutions.
